## Our Activities

Franz Brugger

**Mat-Master** is the mat company of Jackson Carpet Singapore with its manufacturing plant in Qingdao, China. We concentrate our business on high quality mats with rubber backing.

The great product range of Jackson Carpet enables us to provide you with a big variety of mat qualities. Chromojet and transfer printing technique gives us competence in design and printing.

All our mats are washable and made with highest quality standards, for an outstanding price!

## Logo und Promotional - Mats:

from single piece to high quantity orders:  
We provide to you attractive choices in quality and price.

Each product is available up from one piece.

## Ambassador

Chromo Jet print on High Twist Nylon

- \* Ambassador printed mats can include any logo
- \* Message and design in finest detailed and richest colours
- \* HTN-Cutpile guarantees dust control function

Standardsizes  
60 x 85 cm  
85 x 115 cm  
115 x 180 cm

cutout 7x5 cm

detailview rubber border

sizes: 85x115 cm

## Technical description:

Fabric

The Ambassador is a dust control mat and an eyecatcher, both at the same time. HTN-Nylon absorbs dirt and wetness and can be washed in the washing machine.

Rubber border

The rubber border protects from stumbling and enables the use of trolleys.

Rubber backing

The PVC-free rubber backing is resistant to petrol, mineral- and vegetable oils and many acids. Rubber stays flexible from -20°C to 40°C

## Specialcolours:

1 light grey Pantone 427	2 flesh Pantone 720	3 gold Pantone 142	4 grey Pantone 430	5 light blue Pantone 283
6 red Pantone 185	7 orange Pantone 1655	8 yellow Pantone 116	9 green Pantone 362	10 ocean blue Pantone 2728
11 claret Pantone 208	12 brown Pantone 484	13 dark grey Pantone 432	14 dark green Pantone 371	15 navy blue Pantone 281
16 black Pantone black				

size: 60x85 cm

Chromojet works with spot-colours (pre-mixed colours) and not with process colours. The mat can be designed using up to 16 colours from our standard pallet. Custom colours on request.
